Description

BYD Sealion 7 Design – Now Available at BYD Wexford

Experience Electric Excellence

The all-new BYD Sealion 7 brings together advanced electric performance, intelligent technology, and refined design. Built on BYD's industry-leading e-Platform 3.0, this vehicle is engineered to meet the demands of modern Irish driving —

efficient, safe, and uncompromising.

Why Choose the Sealion 7?

Impressive Electric Range

Travel up to 446 km on a single charge. Ideal for daily commuting, longer journeys, and everything in between — with confidence and ease.

Fast & Convenient Charging

With rapid DC charging capability, you can add up to 70% of range in around 30 minutes, keeping downtime to a minimum.

Refined Interior & Smart Technology

Enjoy a thoughtfully designed cabin featuring premium materials, generous space, and intuitive technology. Highlights include [screen size] rotating touchscreen, seamless smartphone connectivity, and advanced driver controls.

Advanced Safety as Standard

Every BYD Sealion 7 comes equipped with a full suite of advanced driver assistance systems, delivering confidence on every journey and achieving a 5-star safety rating.

Outstanding Value

Electric driving means lower running costs, reduced maintenance, and zero tailpipe emissions. Benefit from:

- Low motor tax
- Reduced fuel costs
- Minimal servicing requirements

Flexible Finance & EV Incentives

Driving electric has never been more accessible.

At BYD Wexford, we offer:

- Flexible PCP & Hire Purchase finance options
- Competitive monthly payments
- Trade-in options available
- Guidance on SEAI EV grants and incentives (where applicable)

Our team will help tailor a package that suits your budget and driving needs.
